

Pre-set Attendance (Whole School Calendar Function)

1. In PowerSchool select > Applications > ScholarChip Safety Portal.

The screenshot shows the left-hand navigation menu of the PureData application. The menu items are: PureData, Courses and Programs, Data and Reporting, PSCB DEV Reports, School Management, System Management, and Applications. The 'Applications' item is selected, and a dropdown menu is displayed. The dropdown menu contains the following items: Message Sender, PowerScheduler, PowerLunch, ReportWorks Developer, Interfaces to Other Systems, Community Plugins, PowerSchool DAT Reference, Digital Document Delivery, Document Storage, Hoonuit Unified Insights Dashboard, **ScholarChip Safety Portal** (circled in red), SchoolMessenger, and Special Programs Home. The main content area of the application shows a 'Daily Bulletin - Tuesday, February 11, 2025' and a 'Legend' section with the text 'Icons - Date Entry'.

2. Select Applications > Attendance

The screenshot shows the 'Menu of Services' dashboard. The left-hand navigation menu has 'Applications' selected, and a red arrow points to it. The main content area displays a grid of service categories: Identification (Card Management, Cloud Smart ID), School Safety (Visitor Management, Door Access), **Student Attendance** (Attendance, eClass, Flex, SALA, ScholarCharts), Behavior Management (ABE), School Automation (Smart Forms), Parent Portal (Notifications), and Administration (My ScholarChip, Management Site, Provision). The 'Attendance' item under 'Student Attendance' is circled in red, and a red arrow points to it. The dashboard also includes a 'Welcome, DANIEL LEIMER Super Admin' message, a 'Newsfeed' section, and a footer with the date '8/4/2022 3:09:32 PM' and a link to 'How to Batch Print ID Cards via the Card Portal'.

- 3. Choose the date on the calendar.
- 4. Fill out item name, date, and item type.
- 5. Create Item.
